Go Transcript Audio Response | Data Entry Jobs | Transcript job What are we supposed to talk about today, so I heard people call me Hitler on Facebook? Not because it wasn't because of what I was saying it was because of the tone that. If I'm a bitch then now that I just found out I'm pregnant and my hormone levels are through the roof, imagine how bitch I think now and they also see that I'm cursed a lot not fucking cursed much. I only swear when I'm angry and okay I admit I'm angry almost most of the time to be called a call me whatever. (For quality sound. Buy this amazing Bluetooth speaker) Did you think you'd get away with it so easily that it won't happen because if you remember that I like to read so these authors will be, Amm I'm not even sure how-how you pronounce this, but I'll do my best because you have to do some research so it's called Parinoush Saniee and she's from and she might help you when , when in by asking for her name. So she's from Iran, okay? You know, the test has to be a little harder just a little bit because it's not 10 pages. It's not 10 steps you'd have to take, like on other sites, because yes, I've been out. I've seen the other tests. I know what it's all about. So you should just say thank you for this little three-minute test without background noise, no transcription problems, no problem with the quiz because you have the answers right there in the guidelines. And you can also look at the samples, etc. Okay, like I said, what are we supposed to talk about today? Oh, I saw one more thing on Facebook that sounded like Salma Hayek, really? Seriously? She's Mexican, for God's sake. And I'm just starting to say you're not assuming. My accent is Russian, which means I'm from around Russia. So, not Mexico? To get it? Pretty far from each other? Anyway, okay, let's move on. So what I'm doing right now, right now I'm just staring at my vodka bottles, which of course I can have. Because remember that I'm ready, so I'm looking to have my saw about it absolute. And (For quality sound. You can also buy this amazing Bluetooth speaker) I have both champagne and some vines and of course I can have anything. I guess you didn't like my last test where I talked about books, you know, Palahniuk's books, Chuck Palahniuk, did you realize what I was saying there? Or maybe you just bought a test, like almost everyone else. Because now we have some groups that are supposed to help people, lead people. But actually, what happens is sometimes people go into their little private discussions, and when someone wants to do a test, they just ask someone in that group hey can you help me with this question and this question?. And so some people get over who shouldn't actually be here. But that's okay because we have so many rating systems that waves will be pulled out. Yes and no, blame me for being such a bad person. And I don't sympathize and I don't emphasize all the sizes, things and words you can think of. I really don't care. So if you want me to set another test, which will be so academic and so specific, and you're going to have to search all over Google to find out which fuck I'm saying I can do it, but I think you'll be very happy with this. And I've already told you about Palahniuk a few times, so let's see who else I have here. Okay, so I have Mario Verga Samosa. Amm I don't have an English title, but of course, you'll find it.
